Recommended supplies

(If you don't already own items, do not go to Amazon to purchase, I will share with you my recommendations and will guide you to quality items. I will let you try out and use my tools for the class)

- Scissors
- Seam Ripper
- Straight Pins
- Safety Pins
- Ruler (I will be showing you several different options that are very useful!)

In addition, please feel free to bring a garment or two from your closet for discussion purposes. Something that needs a repair, or something that you are not wearing because it is not fitting correctly.
