Bundle of the Week

Coming Soon - Quilt Auction

Last year, we collected quilt squares and charity quilts for Station Stitchers, a local charity in Purcellville, VA. This year, we are hosting a silent auction of finished quilts.

We have several store samples that are ready for a new home. This is a great way to pick up a finished quilt for the holiday season. We hope you will help us spread the word to get more eyes on these great quilts. In addition to our shop samples, we will also have the Pat Sloan donated quilts on sale. All proceeds will go to Stations Stitchers.

About Station Stitchers: Station Stitchers is a non-profit 501 (c) (3) organization comprised of volunteers from all walks of life who seek to make a difference in the lives of under-served individuals in the Loudoun County area.

Unleash your creativity and dive into the world of fabric painting using watercolor pencils and this exciting class! Discover the joy of transforming plane fabrics into vibrant works of art using various painting methods.

Enhance your skills by understanding the versatile medium of watercolor pencils, and learn techniques to blend, shade, and create by studying textures on fabric. Whether a beginner or an experienced artist, this class offers a unique opportunity to express your imagination through two distinct yet complementary art forms.

- No drawing skills are needed.
- Join us and embark on a colorful journey of self-expression and artistic growth!

Join us for the next Coloring with Clorinda class. Clorinda will be teaching painting on fabric with Water Color Pencils. You can learn this technique to incorporate into your quilting projects. We will arrive at Firefly at 4 pm.

Panels

We love panels for quick and easy quilts. As you head into the holiday season, pick up a panel and coordinating fabric to whip out a fast-finish quilt. Panels make for a great focal point of a quilt, and with some basics and blenders, panels can be the star of the show.

Most panels range from 24" x 44" to 36" x 42". Some panels are much larger, allowing you to add a backing, quilt, and binding. The [National Parks panel](#) is 54"X 72". We have the panels individually or pre-packaged with a backing, so all you need to add is batting. We have the Tis the Season Panel all kitted up for Christmas with the Chenille-It. This large panel is 58" X 73". Add batting and backing to finish this quilt

Jump for Joy Quilt Along hosted by WeAllSew

This Jump for Joy quilt is designed to help you build your skills in piecing a quilting top and quilting it. In the quilt-along, we will spend five months piecing the quilt top and five months exploring the quilting options. The piecing features traditional patchwork and raw edge fusible appliqué. The quilting combines free-motion and ruler work, which can be accomplished on a domestic sewing machine, a stationary longarm on a table, or a longarm on a frame. Whether you own a

BERNINA or not, you can participate in the quilt-along.

This Quilt Along is a skill builder from piecing applique to various free-motion quilting techniques and will be published monthly on the WeAllSew blog.

If you are interested in participating, we have kits available in both colorways.

Mystic Vineyard - Block of the Month

Sumptuous batiks in shades of purple, lavender, emerald green, sea green, and black are featured in the Mystic Vineyard quilt. This is a beautiful 9-month Block of the Month program. Purple clusters contrast against the greens like a vineyard ready for harvest to create a quilt bursting with flavor.

Mystic Vineyard is 97"X106". It is a generous queen quilt that allows for an 18"-19" drop on the side of the bed. The quilt center is made up of 10" square-set blocks with a row of 5" custom blocks inserted at the top and bottom for an attractive rectangular layout. This is bordered with 9" square-set blocks to create a beautiful "floating" border. This uses the stitch and flip construction is used where ever possible; we think this project will be great for a confident beginner and certainly anyone with moderate skills.

This BOM starts in June 2024 - lasts 9 months
