

### March Fabric Madness - Update

When March rolls around we think of college basketball and March Madness. At Webfabrics, we are thinking of March Fabric Madness. We wanted to have a little fun and get input from you, our customers, on your favorite basics and blenders.

We have a "sweet sixteen" bracket of basic and blenders pitted against each other in head-to-head competition. You will determine their fate as they move along in the bracket. Each week we will have a new set of match-ups. You [vote](#) on your favorite to move forward in the bracket. The link can be found at the top of the website or by clicking vote above.

## HotHouse by Deborah Fisher

This fabric collection arrived late February. We love this version of Quilty Love's Triangle Hexies pattern made with the Hothouse fabric. It screams screams spring with the bright yellows. This pattern is fat quarter friendly and would make a great quick project. Check out the [fabric](#) and [pattern](#) here.
