

## Newsletter Webfabrics

August 13, 2022

Thank you!

Dear Beverly,

We opened the doors to the brick and mortar Tuesday to an eager crowd. We thank all of you who came out this week to support the opening. It has been great getting to meet everyone.

We have enjoyed watching you all walk through the doors and relish being back in a store where you can touch the fabric. At the opening Carly presented us with a beautiful quilt she started making the day we signed the papers to buy the business. This "exploding heart" quilt is stunning. The pattern is available if you want to make one yourself.

Photos from Tuesday.

We are very grateful for you all. What we have witnessed this week is the community that Webfabrics creates. So many people come with their friends and family and not only shop but connect and share their love of creating. We love that this is a happy destination.

As you make your trip to Webfabrics - make sure to check our google listing for operating hours. Maybe include in your plans lunch or dinner in Purcellville. We have contacted a number of local restaurants and have secured an agreement with **Magnolias at the Mill** located at 198 North 21<sup>st</sup> Street and **My Deli and Cafe, Greek Bistro** in the Old Theatre Centre at 860 East Main Street, Suite B (Rt 7) a 10% discount if your Webfabrics receipt. We will continue to share additional

businesses as we broker agreements.

## Website

As mentioned before, in addition to the brick and mortar, we will be migrating to a new website in the next few weeks. The current website is still available and up and running. We appreciate you continuing to order online and strive to have all orders shipped within 24 hours. All new fabric has been updated and is available for order.

Thank you all for your wonderful feedback to the newsletter and the store. We have loved seeing you all this week and look forward to more visits.

As always, it is fun to work with fabric and 'fabric people'.
