As with any new launch there are bugs or configuration items to work out. We appreciate those that were first to log on and order. Thank you for providing feedback and identifying issues so we could work out some of the bugs. I think we have the majority of them resolved but if you see anything or have questions either give us a call or email us

## New Fabric

**FreeSpirit Fabrics Modern Shirtings** by Victoria Findlay Wolfe has arrived. This line is inspired by men's wear. With colorful, light patterns, these low volume fabrics add just enough color to tie together any prints, making the best and coziest quilt ever. Victoria drew her inspiration from her grandparents. The 1950's were popular in her household for music and vintage cars and so she named each print from 50's slang.

We have the entire collection of 12 fabrics. Bundles of the complete collection in Fat Quarter, Half Yard and Full Yard cuts are available.

## Notions

**Quilters Dream** batting is in as is **Glide** thread. We continue to review the wish lists and update our inventory to reflect your needs.

Thank you all for your support as we opened the brick and mortar and continue run the online business. We appreciate the feedback and enjoy getting to meet and know everyone. Enjoy your weekend!
