### Local Quilt Shop Day

Thank you all for coming out for Local Quilt Shop day today and for celebrating Bev's birthday this week.

### Block of the Month

The Block of the Month program is a great way to work on a quilt a little at a time over an extended period. Doing it with others is a great way to stay motivated to finish. We want to help you be successful and finish what you start. We love that you buy fabric from us and don't want you to just add it to your UFO pile. We hope to help motivate and encourage everyone to finish their UFO's in the coming year making more room for the fun new stuff.
