

Spring!

It's March and winter skipped us this year. We had a snow dusting but no accumulation. It's been unseasonably warm until this week. The temperatures dropped a bit yesterday and today we have high winds. "In like a lion, out like a lamb" seems fitting these first few days of March. We will wait and see if it finishes calmly like a lamb.

This week we have been recovering from the quilt show. We got back Monday, unpacked the truck, and have been putting things back together. Of course, new fabric arrived while we were gone, and even more this week. Thank you again for all who stopped by the show and for those of you who rediscovered us or found us for the first time and made a trip up to see us at the store.

New Fabric

ACHROMA by Ruby Star Society

Achroma means an absence of color. In this collaborative collection, you'll see prints from all five Ruby Star Society designers in a restrained black, white, and gray palette that is filled with contrast and movement. Create sleek, neutral-hued projects by sticking just to the collection, or add your favorite basic for a fun pop of color.

These 28 premium 100% Ruby Star Cotton prints arrived a week ago. This would be great with Modern Handcrafts Stack pattern below. Order the complete collection in half-yard and fat quarter bundles.

FRESH CUT by Laura Berringer for Marcus Fabrics

Inspired by the feeling of happiness that flowers give us. This new floral group has a natural, relaxed style. Four styles of pretty, freshly picked flowers, are designed in a variety of sizes. The main print, *Blooms*, has a subtle moiré texture behind the flowers, and the moiré is also a stand-alone texture print. Laura's striated texture stripe and a little tossed geometric round out the collection, in a palette of soft, spa greens and blues, with accents of chartreuse.

As spring begins this collection makes me want to make a quilt and freshen up my bedroom. Twelve fabrics are included in this collection. Pre-cuts in half-yard and fat quarter bundles are available.
