Dear Beverly,

Fall is here. After a week of rain, we finally have some beautiful yet chilly days perfect for sewing. New fabric continues to come in see below for some highlights.

Alternative Age

This collection from Blank Quilting Corporation was inspired by steampunk-styled art, fashion, and mechanics. It is colored in rich neutral colors like rust, copper, and parchment that are reminiscent of metals and vintage newspapers. The designs include a 36-inch panel with a hot air balloon, top hats, butterflies, clocks, scissors, keys, nautical motifs, gears, and vintage bicycles. These fabrics are great for a multitude of projects from quilts to home decorating. Click **here** or the pictures below to see

the entire collection.

Two free patterns are available in this collection and are on the website. These would pair nicely with a variety of **Moda Grunge** fabrics. We like **30150-418**, **30150-277**, and **30150-99** as blenders.

The collection is also from Blank Quilting Corporation. The tropics await you with this lush collection that includes a 24-inch panel, flamingos, toucans, butterflies, hummingbirds, hibiscus flowers, and leaves. The designs are colored in sultry colors such as green, pink, blue, yellow, and coral. These fabrics are perfect for quilts and so much more. Click [here](#) for this collection.

The Season of Tribute includes a number of chapters. We received a small selection from Chapter 3 Roots of Nature by Bonnie Christine and Chapter 5 Crafting Magic by Maureen Cracknell. LOCAL NEWS

New Hours!!!

Effective 1 October our hours are changing. We will now open every day at 10 am. We have heard you and are making the change. We will close at 4 pm.

Ribbon Cutting Grand Re-Opening Celebration

The Town of Purcellville mayor and staff will be at the store on 15 October for a ribbon-cutting ceremony. We invite all of you to join us for the event. We have some gifts from the fabric companies that will be raffled off with a drawing every hour.

To celebrate the support those of you have given to us by shopping online, we will enter a ticket for you into a special online drawing. One prize will be awarded to an online customer. We appreciate all of your continued support.

Giving Back

We believe that it is important to give back to our community and quilters are notoriously generous

with their time and talent. We are working with Station Stitchers this year to support their projects and would love your help.

Station Stitchers is a non-profit, 501 (c) (3) organization comprised of volunteers from all walks of life who seek to make a difference in the lives of under-served individuals in Loudoun County. They donate bedding to serve acute care hospital patients, victims of trauma, teens in crisis, homeless shelter residents, hospice and nursing home patients, and emergency service organizations. They provide warmth and comfort to those in need. Learn more about Stations Stitchers [here](#).

For the holidays this year, Station Stitchers is partnering with Webfabrics to support "Santa for Seniors" to provide Christmas gift quilts to the residents of the Inova House Calls Program, which helps seniors age in place.

We have **3-Yard kits** which are perfect for making quick and easy 3-Yard Quilts using the patterns found in the 3-Yard Quilt pattern books from Fabric Cafe found [here](#). We are happy to see so many of you stopping by to pick up a kit. We thank you for your time and support of such a great organization.

Finished Quilts for Sale

Coming soon to the website are finished quilts for sale with all proceeds supporting Station Stitchers. Pat Sloan, a quilt designer, author, teacher, radio/podcast producer and host, and fabric designer has donated a number of either completed quilts or quilt tops which have been finished. These beautiful quilts will be for sale in the shop and online. Pat is an avid

supporter of Stations Stitchers and provided the quilts to help Station Stitchers raise funds for supplies for additional quilts.

A sample of a quilt coming soon is below.

Celebrate Purcellville

Celebrate Purcellville concludes this weekend and we say many new faces stop in to meet us and get a sticker for their passport. It was great to meet so many new people.
