

Heart Warmer's Strip Block

Use the diagram below to make the following cuts:

A: (White or cream) cut 2 - 3" squares, cut in half diagonally. You will have four triangles.

B: (Heart colors) cut 2 - 3" squares, cut in half diagonally. You will have four triangles.

Step 1. Sew one A and one B together to create a 2 1/2" square, do this four times.

Step 2. Sew all four units together like this:

C: (coordinating fabric) Cut one 2 1/4" x 9" rectangle

Step 3. Sew this strip to the bottom of the four squares you just did in step two.

D: (white or cream) cut 1- 5" square, cut in half diagonally.

E: (heart color) cut 1- 5" square, cut in half diagonally.

Step 4. Sew these triangles together and trim to form a 4 7/8" square.

Step 5. Sew the two squares together like this:

Step 6. Sew the bottom part of the heart to the top part you created in step 3.

* When aligning the two sections together... Use the center line to center them up. You will end up trimming off some of the outside edges off the top section.

Step 7. Trim block to 8 1/2" square.
