

*Where threads and technology tie the knot``*

## **Longarm Quilting Services**

All of our longarm quilting services are completed on “Annabelle” our Gammill Longarm Quilting Machine. We have a selection approx. 100 edge to edge quilting designs. One of our Quilting specialists will assist you choose a design and quilting thread that will complete your Quilt.

### Quilting Categories

**Edge to Edge** (Pantograph) – A single pattern is used on the entire quilt top. Many designs are available to enhance or complement your quilt’s design.

**Basting** – For hand quilters and/or home machine quilters, basting is done in rows approximately 6” apart. Large stitches make it easy to remove once your hand stitching is complete.

### Binding

You may choose to have us attach binding with mitered corners to your quilt by machine and complete by hand so your quilt is completely finished.

**Fullness Disclaimer** – Fullness and/or puckers within a quilt and its borders cannot be quilted out. We cannot guarantee that puckers and tucks won't be sewn in. In some cases fullness in borders may result in the quilt corners not being square. The flatter you quilt top is, the better the finished quilt will be.

**Mechanical Disclaimer** – Please be aware that sewing machines including longarm machines are mechanical devices. Although we do our utmost to ensure perfect results every time, on very rare occasions mechanical problems can occur which may cause minor damage to a quilt top or backing.
