These will be arriving at the store in the next week, so we wanted to get you the links right away so you can reserve the option of your choice. Please feel free to order online, or reply to me with your choice so we can ensure you have the required set for class.

In terms of class, on Day 1 Anna Maria will teach you her technique for creating the Dresdens. By the end of day 1 everyone should be very comfortable with the individual blocks to make this quilt. On Day 2 she will do a deep dive into broader applique methods as well as help you continue making your blocks for Bespoke 2.
