

In the Hoop Zippered Pouch Supply sheet

These pouches are easy to make. Here is what you will need. 1. USB stick. You can purchase your design at Cotton Candy Fabrics. The design we are making is 12519-01. After you learn the technique you may want to buy the whole collection, 12519, which will give you 4 different pouches. Purchase the format for your machine. BERNINA is EXP, if you aren't sure please message me and I will help you.

2. Your sewing machine and embroidery module.
3. Poly mesh stabilizer
4. 1/4 yard of fabric
5. Rotary cutter and ruler,
6. 7 Inch zipper, but you can purchase a larger one and we will cut it to size as we work on the pouch

These work up pretty quickly so you may want to bring an extra piece of fabric and zipper to try another. I will teach you how to add an embroidery design to place on the front of your pouch.

Any questions, please call or text me, 203 470 6764
Thank you so much, Roni Gerhardt
