

COTTON CANDY FABRICS & QUILTS

Supply List for Happiness 2.0 with Charlie MacDonald

Sewing machine. It is beneficial during the assembly process to have a walking foot or similar built-in functionality

Size 70/10 needles

Standard sewing supplies: scissors, seam ripper, pins (Jacqueline likes Clover glass head pins) etc

Purple Thang Rotary Cutters: I like a 45mm for cutting fabric and templates, and a 28mm for paper piecing and trimming curves

Fold template: cardboard postcard or template plastic Add-a-Quarter ruler

Glue Sticks: 3M Scotch repositionable glue stick, and Elmer or similar permanent glue stick.

Freezer paper

Gallon-sized ziploc bags and labels for sorting.

Marking tool: not a Frixion pen. I like a Sewline pencil that has three colors.
