

Supply List and Class Information for Beginner Quilting Class Series

Hi!

We look forward to welcoming you to our classroom for the Learn to Quilt Beginner Quilting Class Series with Kim Spinelli.

For this class you will need Pat Sloan's Teach Me to Make My First Quilt book. We will be making the nine patch quilt shown on page 74. There are books to purchase at the store.

We will discuss fabric selection, tools, and notions in class. If you need help picking fabric we will do that at the beginning of class. Kim will explain tools and notions as well. If you have a ruler, rotary cutter, pins, scissors or snips, thread and pins please bring them but you can purchase all tools prior to class if you are unsure what to purchase. We have all materials in the store, and appreciate you purchasing them at Cotton Candy Fabrics.

If you have fabric for your project please bring it, but you don't need fabric prior to class. The pattern in the book creates a square, like a table topper, if you choose to make it like it's shown, then you will need the yardage listed in the book. Many people choose to make additional blocks to make a small quilt, so you would need additional yardage. Again, this is something we go over at the beginning of the class so you can have help deciding in class.

If you need a machine to use in class, please let me know and we'll have one ready for you. You may also bring your own if you choose to, please ensure that it has a new needle.

If you have any questions, please reach out to me at kristilynn@cottoncandyfabrics.com or kim@cottoncandyfabrics.com. Looking forward to seeing you in class!
