

Tiling Scene Embroidery Class Supply sheet

Tiling Scenes are fun, but they take a little time. In our first class we will make one or more of our tiles. Then we will meet again to learn how to put the tiles together and how to finish it up.

You will need:

Embroidery file for a tiling scene. You can pick anyone you want. OESD has a very large selection of them. You can purchase your file here at Cotton Candy. Put your files on a USB stick. Make sure they are in the right format for your embroidery machine.

Print out your instructions for your project

Stabilizer- your instructions will tell you what you need. Fabric- check your instructions to see what they want you to use. Precut your fabric before class

Sewing machine and embroidery module with your hoop

Threads- Your instructions will give you what colors you will need. Cotton Candy has the whole set of Isacord colors.

Basic sewing supplies, scissors, seam ripper etc. Any questions, please call me. 203 470 6764- Roni Gerhardt
