

Cutwork Christmas Tree Placemat Class Description

This class will use the Bernina cutwork tool to create two different designs that are then used to make one placemat. We will stitch/cut out two sets of both designs so you can complete two placemats at home. The left side of the placemat has a Reverse Applique Christmas Tree. The right side of the placemat has a Christmas Gift pocket that can be used to hold silverware when you set your table!

In this class:

- Embroidery and cutwork are completed first in the hoop.
 - The Christmas Tree requires a large oval hoop (or larger – the Midi hoop will work as well since it is just slightly larger)
 - The Gift piece can be done in a medium hoop. This is the small square hoop that came with your Bernina.
- You will receive instructions for completing your placemat, following the process used for the class sample. You can finish using a different approach if you prefer.

Supplies Needed for Class:

- Sewing machine
- Embroidery module, **large oval hoop, and medium hoop**
- Cutwork tool and foot 44C if you have one - ***If you don't have a cutwork tool, we will have one that can be shared.***
- Foot 26 for embroidery
- Thread colors of your choice. The colors used in the class sample are:
 - Gift:
 - Poinsettia Red 1902 – Candy cane pattern on the gift and satin stitch outline
 - Antique 0721 – Bow on top of the present
 - Black 0020 – Outline and detail for the box
 - Christmas Tree:
 - Moss Green 5934 – outline stitch and stem stitch around the tree

Cutwork Christmas Tree Placemat Class Description

- Redwood 0933 – tree base
- Antique 0721 – Garland on the tree
- California Blue 4103 – lights on the tree
- Yellow 0310 – Star and lights on the tree
- Poinsettia Red 1902 – lights on the tree
- Erin Green 5912 - lights on the tree
- Polymesh stabilizer for two hoopings in each hoop
- Medium weight cut away stabilizer – will need 4 pieces – 1 for each hooping:
 - 2 pieces approximately 8 x 10 for Christmas tree
 - 2 pieces approximately 6 x 8 for Gift
- Paper tape
- Size 80 embroidery needle
- Cutting tools of your choice – scissors, rotary cutter, ruler, etc.
- **A USB stick to put design on for your sewing machine**
- Fabric Required: (This list refers to the colors as used in the class sample. You can use other colors if you'd like.)
 - White fabric – 2 pieces cut 9 x 14.
 - Red Fabric – 2 pieces cut 12 x 14
 - Green fabric for the Tree – 2 pieces cut 9 x 7
 - White fabric for the present – 2 pieces cut 4.5 x 5.5
 - Fabric for pocket behind the gift (class sample used the same red as the top of the placemat) – 2 pieces cut 5 x 5
 - SF101 - cut for each piece listed above, except the placemat back. Apply to the back of each piece
 - Red Fabric same as top piece - Backing of placemat – 22 x 16 (the class sample uses a self binding method) – we will not need this in class. You will finish at home.
 - Batting – 21 x 15 – we will not need this in class. You will need at home to finish.
