

2019
Serendipity Quilt Shop
11th Anniversary
Reds and Lights Quilt Challenge (For Fun!)

This year, we invite you to participate in our 2nd Annual Serendipity Quilt Shop Challenge. Red happens to be Kathy's favorite color so let's shower her with Red Quilting love! The challenge is to pick a pattern and then use only Reds and Lights in fabrics of your choice to complete your project.

We plan to display and take a group photo at the 11th Anniversary celebration in June 2019. (Date TBD)

Below are the guidelines for this year's challenge.

1. Red and Light Fabric - Red must read as red fabric from a distance. No pink fabric. Light can be white, beige or cream.
2. Project can be any quilt size, table runner, wall hanging etc. in any pattern you choose.
3. Projects are due to be completed by 6/1/19 and should be a project that you start and finish in 2019, if possible.
4. Have Fun!

Feel free to stop in or call the shop (302-732-6304) if you have any questions or concerns.
