

Coasters

- ❖ Coasters are made with 6 - 5" squares.
- ❖ Fold (press) the 4 top pieces (usually 2 each of coordinating fabrics).
- ❖ Place the other 2 squares wrong sides together, with the piece for the bottom of coaster facing up.
- ❖ Lay folded pieces (with folds toward center) on your bottom piece with each piece laying on the corner of the last.
 - The 4th piece gets tucked under the 1st piece.

- ❖ Sew together with $\frac{1}{4}$ " stitch & angle the corners with 2 or 3 stitches.
 - Trim corners
 - Turn & press
