

## Coasters

- ❖ Coasters are made with 6 - 5" squares
- ❖ Fold (press) the 4 top pieces (usually 2 each of coordinating fabrics).
- ❖ Place the other 2 squares wrong sides together, with the piece for the bottom of the coaster facing up.
- ❖ Lay folded pieces (with folds toward center) on your bottom piece with each piece laying on the corner of the last.
  - The 4<sup>th</sup> piece gets tucked under the 1<sup>st</sup> piece.

- ❖ Sew together with 1/4" stitch & angle the corners with 2 or 3 stitches.
  - Trim corners
  - Turn & press
