

Crow's Nest – 6 ½" x 6 ½" unfinished

1. Cut Fabric as directed.

Background: 2 – 3" x 3" squares – **A1**
1 – 1 x 12" strip – **A2**
1 – 2 ½" x 2 ½" square – **A3**

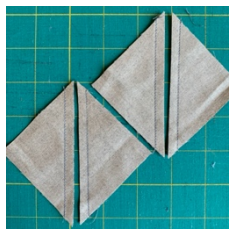

Contrast: 2 – 3" x 3" squares – **B1**
2 – 1 ¼" x 12" strip – **B2**

2. Half Square Triangle Units.....yep!!! Gather both **A1** squares and mark a diagonal line ¼" away from both sides of one diagonal. Match each **A1** with a **B1** and stitch on or just inside the marked lines. Cut between the diagonals. Press toward the dark.

Mark and Stitch

Cut

Press

3. Trim all six squares to 2 ½" x 2 ½". I use the Tucker Trimmer 1, but you can use whatever tool you have.

First Trim

Second Trim

4. Gather the three **B2** strips and stitch together with the background in the middle. I used a scant $\frac{1}{4}$ " seam for this and measured across when I finished pressing to make sure it was $2\frac{1}{2}$ " across. Press to the dark. Then subcut into four $2\frac{1}{2}$ " sections.

Stitch strips together, then subcut

5. With the remaining **A3** square, assemble the block as shown. Press all seams open. You are now ready for your setting block! 😊
