Sew a strip from each Strip Set together to form 8 large diamond shapes

Sew the 8 diamond shapes together to form the star making sure the cream fabric is the outside tip and the blue is in the center of the star.

Leave ¼" open at both ends of each seam to make it easier to add to background squares and triangles and keep the center flat.

To add background triangles and squares stop stitching a 1/4" before the end of the fabric on the inside corners of the background triangles and squares. Press seams toward background.

Sew together border strips end to end. Add border in order indicated on picture. Press and trim. Layer quilt top, batting and backing and quilt as desired. The last step is to bind and add label.
