

Dresden Turkey VIDEO PROJECT - Instructions provided via 2 videos online!

- 1) Dresden Plate**
- 2) Dresden Turkey**

Videos found here: quiltsmart.com/shop/dresden-plate-pack

You will need Quiltsmart panels of the following patterns:

Dresden Plate (makes 1-4 turkeys) **1 panel**

ZigZapps!

Chatter Boxes (10 shapes) **1 panel**

Leaves & Petals (16 leaves/petals)
(1 used for the turkey head) **1 panel**

5-4-3" Circles **1 panel**
(1 used for the turkey body)

Fabrics & Materials Required:

Turkey & Chatter Boxes **Scraps.**

Waddle & Nose **Scraps.** *Tip: Rick-rack makes a cute waddle and nose!*

Dresden Strips for Feathers **(6) 2.5" x 6"**

Tip: I used 6 above, you could use 5 strips and get 4 Turkeys from one interfacing panel. Or, use 10 for a half-plated turkey, or 20 for a whole-plated turkey!

Background **10" fabric square**

Backing - Pick 1 as amounts vary depending on method. Read "Finishing Methods" below.

1) Overlap Finish **(2) 10" x 16" pieces**

2) QuickTurn Finish **(1) 10" square** (or a little larger and trim later)

3) Backing/Binding **(1) 10" square AND 1/8th yard cut into (1-2) 2.5" strips**

FINISHING METHODS:

OVERLAP Finish - *Mattie's Favorite! Can be used flat or stuffed for pillow (stuffed turkey!).*

10" block - Fold in half to make (2) 10" x 8" pieces. Overlap to form a 10" square. Place right sides together with project and stitch 1/4" - 1/2" around all raw edges. turn through overlapped opening.

QUICKTURN FINISH:

Place a slightly larger backing Right Sides Together with your quilt top. Stitch 1/4" around the edges, making sure you have caught all raw edges AND leaving a hands-width section open for turning. Turn right side out through the opening.

Hand or machine stitch closed.

BINDING FINISH - *2.5" strips. Stitch strips together lengthwise. Fold in half lengthwise. Stitch to front of quilt, raw edges even. Hand-stitch to back. You may also reverse that process, stitching to the back of the quilt and machine stitching to the front.*
