

*Tip: Copy this page and keep the original.
This will allow you to make new copies to change your design or to make more designs.*

Notes:
Table and Baby sizes have 16 pieces (rectangles) in each row, Twin has 24 pieces in each row.
Note that the left side of the first row starts with the zigzag strip going up, and the right side goes down. The second row is the opposite. This does not matter if doing a scrappy quilt, but may come into play if designing a more complicated color scheme.

This drawing is designed as part of the instructions for Quiltsmart's Tumbling Blocks pattern, sold separately.
