

Acclaim™

Serger

Your serging is about to receive a new level of critical Acclaim!

The Baby Lock Acclaim features RevolutionAir™ Threading that threads the loopers with just the touch of a button and then threads the needles with the touch of another. You'll also serge tension-free with the Automatic Thread Delivery™ System (ATD) and the exclusive Wave Stitch will expand your creative options even further – making every one of your creations stand out like no other.

Not All Sergers
Are the Same...
Here Comes the
Acclaim

RevolutionAir™ Needle Threading

Engage the RevolutionAir™ threader, push a button and the Acclaim's needles are threaded! Baby Lock's RevolutionAir Threading makes setting up your machine faster and easier than ever, every single time.

RevolutionAir™ Looper Threading

Insert thread into one of the Acclaim's threading ports, push the button and a gust of air quickly pushes it through the patented tubular loopers, exactly where you need it every time. Tangles, knots and breakage are now a thing of the past!

Automatic Thread Delivery System

Set the Acclaim to the type of stitch you want and get started! The Acclaim delivers a balanced stitch on any fabric with any type of thread.

Pure Lighting with 3 LED Lights

Clearly see every stitch, fabric and thread color under three bright LED lights.

Wider Workspace – 2" to the Right of the Needle

Easily serge larger projects with room to spare. You'll love adding decorative stitching to yards and yards of fabric.

Full-Featured Single Unit Differential Feed

We've taken the differential feed to a new level by adding a single-unit feed dog mechanism. This ensures stronger feeding as well as consistent gathering on all fabrics.

4/3/2 Thread Serging

Finish projects with quality and versatility - easily switch from 4, 3 or 2 thread rolled hemming options.

Advanced Knife Driving and One-Way Clutch System

Baby Lock has created a knife system with a larger cutting bite that cuts thicker fabric with ease and increased visibility.

Tubular Loopers

There's no exposed thread, no thread guides and you can thread in any order! Tubular loopers eliminate threading mistakes and protect the thread for more serging freedom.

Fabric Support System

The Fabric Support System keeps stitches flat and balanced, no matter what speed, fabric or stitch you choose. The built-in stitch fingers actually move with the knife blade, adjusting the seam consecutively with the cutting width.

Vertical Needle Penetration

While most machines use slanted needles that push and damage fabric, the Acclaim's needles are set vertically and sew directly up and down, protecting your fabric and preventing needle deflection.

Dial Adjustable Stitch Length and Automatic Rolled Hem

Stitch length can be easily adjusted on a Baby Lock serger using one dial. This dial includes an Automatic Rolled Hem setting that will retract the built-in stitch width finger for a rolled hem finish.

Exclusive Wave Stitch

The patented Wave Stitch opens your world to more decorative stitches for more creativity. Try different thread colors and stitch widths to easily serge a one-of-a-kind creation.

Looper Drive System

This exclusive Looper Drive System prevents loopers from becoming misaligned or out of time, reducing the possibility of major looper damage. This protects your machine from needing repairs, allowing you to serge worry free!

Acclaim Included Accessories

- Quick reference threading guide
- Foot Control
- Lint brush/needle insert tool
- Two Needle clamp screw
- Package of assorted sized needles
- Medium screwdriver
- Tweezers
- Upper cutting blade for replacement
- Looper threading tool
- Screwdriver
- Machine soft cover
- Mounting bolt with washer (U.S.A. only)
- Four Thread nets
- Four Spool caps
- Four Sponge disks
- Allen wrench
- Four Cone holders

Features and Specifications

Technology Features

- RevolutionAir™ Threading System
- Automatic Thread Delivery™ System
- Pure Lighting with 3 LED lights
- Wide workspace 2" to the right of the needle and 3" tall
- Full-Featured Differential Feed:
 - 2 to 1 Ratio – gathering
 - 3 to 4 Ratio – stretching
- 4/3/2 Thread serging

Advanced Serging Features

- Exclusive Wave Stitch for additional stitch options
- Rolled hemming with 3 threads
- Flatlock stitching with 2 or 3 threads
- Dial adjustable stitch width: 1.5-7.5mm
- Dial adjustable stitch length: 0.75-4mm
- Dial adjustable built-in rolled hem
- Heavy-duty cutting system
- Precise, patented system makes for easier sewing around curves
- Side thread cutter
- 1,500 Stitches per minute
- Adjustable presser foot pressure dial
- Adjustable presser foot height up to 6.0mm
- Automatic subsidiary looper for two-thread conversion
- Bypass port for specialty threads

Convenience Features

- Thread stand tray with magnet
- Built-in thread cutter
- Electronic foot control
- Presser foot lever on the right
- Easy full-color quick reference threading chart
- Enhanced telescopic antennae with thread guides
- Snap on, multi-purpose presser foot
- Built-in accessory storage
- Built-in ribbon/tape guide
- Needle drop tray with magnet
- Needle clamp safety plate – prevents lost needle screws
- Safety switches for side door cover, front door cover, presser foot, and needle threader
- Power cord manager on machine base

Other

- Household needle system:
 - HAX1SP
 - 130/705H
 - ELx705CF
- Weight: 24.6 pounds (11.16 Kgs)
- Warranty: 25 years limited, 10 years parts, 5 years electrical, 1 year labor

Optional Accessories

- Gold Standard Comprehensive Care Program (available in U.S.) (BLES4-GS)
- Foot Kit (BLES4FTKIT)
- Trim Bin (BLTBIN)
- Serger Trolley Bag
- Beading Foot (BLE-BF)
- Blindhem Foot (BLE-BLHFS)
- Clear Foot (BLE3ATW2-CLF)
- Cording Foot 3mm (BLE-CF3)
- Cording Foot 5mm (BLE-CF5)
- Elastic Foot (BLE-EF)
- Flat Sole Foot (BLE3ATW-FSF)
- Lace Applicator Foot (BLE-LF)
- Ruffling Foot (BLE-RF)
- Teflon Foot (BLE3ATW-TF)
