

COMPANY B (PATRIOTIC QUILT)

64 X 73

Come stitch this wonderful patriotic quilt with yummy batik fabrics. Spinning star blocks alternate with stripe blocks – a true “Stars and Stripes” setting. Techniques include the accurate piecing of the star point unit, a review of basic piecing skills, and a new pieced border treatment. If you have purchased the kit, you will want a little help to simplify the cutting and instructions for assembly. We will help you get organized in class.
