

## **Beginner Longarm Class**

Learn the basics of longarm quilting on a Baby Lock stitch-regulated longarm machine! In this beginner-friendly class, you'll learn how to prepare and load a quilt, operate the machine, check tension, pull up and tie off threads, and practice free-motion quilting techniques.

This class is perfect for new longarmers or anyone considering purchasing or renting a longarm machine. We'll work together in a supportive, hands-on environment and answer questions along the way.

### **Please Bring**

- Notebook & pencil

### **Supplies Provided**

- Sketch paper
- Machine & frame
- Fabrics and supplies
- Classroom binder

### **Instructor**

Tabatha Head has several years of longarm quilting experience and enjoys helping quilters build confidence and skills. She loves sharing the tips and techniques she's learned throughout her quilting journey.
