48 Years and  
Lovin' It!

## Merry Christmas and Happy New Year!

It is so hard to believe that 2020 is upon us! We think that it's the perfect opportunity for our sewing family to grow and share our projects with each other. We have an awesome array of classes coming up for your pleasure and at all skill levels. Whether you are interested in quilting, garment making, or embroidery, please let us help you achieve your goals this year.

The time has come for me to announce a very special new program available now at the shop... we will be renting out our fantastic **BERNINA Q24 Longarm** for your quilting pleasure! Training classes will be available starting in January. We are asked by our customers for longarm rental on a daily basis, and we are now ready to be up and running with this program. I truly hope that this will be a convenience that our customers grow to love and will be used to take care of a New Year's resolution of getting "UFO's" (unfinished objects) FINALLY finished! I feel that the Q24 is the best longarm on the market, and we look forward to showing everyone the reasons why!

Remember to join us for our Annual End of Year Clearance Sale, running December 27th through January 2nd. We will be closed December 26th to spend a little extra time with our loved ones. See all the details about the sale on our website and Facebook page!

I am blessed to be able to say we have been serving Crestview since 1971. Thank you so very much for your continued support of small businesses.

Keep on Sewing!

*Margie*
