ARTISTA SOFTWARE SUPPORT GROUP

BERNINA has a fantastic Software Support Program that has been developed by BERNINA educators. Margie has subscribed to this educational program and is making it available to you. Each of the projects deal with different levels and aspects of the artista software—regardless of your software version you will benefit from attending. You can obtain a CD containing all the instructional material for each session for the small fee of \$150.00 per year (or \$15.00 each). Purchasing the CD is not a requirement for attendance. There is no charge to belong to this group if the software is purchased at Margie's, otherwise \$35.00 per session.

NEW "OPEN SEW" TIMES

Have you ever just wanted to get together with your friends to have a "sew day"? Maybe you don't have enough space to sew at home and would love to go where you could use a cutting table, iron and other items and then just get up and go home. Perhaps you don't have a sewing machine yet and want to work on projects that you haven't finished in class? We are now offering "Open Sew" times at Margie's! Bring your friends, your machine, supplies and work on your projects at your leisure. You'll have use of the cutting table, ironing station, coffee, soft drinks, refrigerator and microwave are available, and of course if you need anything it's all right there you don't have to stop and run to the store. If you don't have a machine and need to use one of ours, we will have a limited number of machines available to use during "Open Sew" times for an additional nominal fee. You will need to reserve one when you sign up for the space. We are starting with a few days a month to see how well the idea goes and will increase the number of days as we see the demand increase. Minimum age of 16 to sew without supervision, otherwise must be accompanied by an adult for the entire session.

Dates available are listed in each month.

Time: 10am – 4pm

Cost: \$10.00 (\$15.00 To use one of our machines for the day)

ALL THE BASICS OF SEWING SEMINAR

1 Session, 3 1/2 Hours, Beginner to Advanced Level

Navigating all the terminologies, tools and techniques used in sewing can be VERY confusing for a new sewist (and sometimes those who have been at it for a little while). This seminar is dedicated to helping you learn the language and assets used in sewing and quilting. You will not need a sewing machine for this, just a notebook and desire to learn. Things such as types of needles, threads, fabrics, tools, machines, machine accessories, machine maintenance and more will all be addressed.

Seminar Fee: \$15.00

Instructor: Tammi Hudson

Sat., May 18, 1:30 - 5:00 and Thurs., May 30, 10:00 - 1:30

EDGE-TO-EDGE QUILTING

1 Session, 7 Hours, Beginner Level, (Bring Lunch)

So many of you that love to quilt also have embroidery machines. Learn to take advantage of that embroidery capability and finish your quilts with beautiful edge-to-edge quilting. We all enjoy saving money and this allows you to completely finish your quilt yourself without the additional cost of a longarm quilter. You'll be amazed at just how easy this is!! Owners of **ALL BRANDS** of machines are welcome!

Varsity Requirements: Must be comfortable threading and operating the sewing machine. Age 12+ preferred.**FROM MARGIE'S DESK**

Thanks to you, our fabulous friends and customers, we are celebrating our 48th year of business! Can you even imagine? We just celebrated my granddaughter's 30th birthday and I wondered where all of that time went, just as I know you do with your family's milestones. So I am even more astonished that 48 wonderful years have passed since I began "Margie's Nylon & Lace Boutique" May 1, 1971 in a 10' x 10' room of a 10' x 30' building. Many, many changes have taken place since then with the main change being our name change in 2008 to the current "Margie's Sew Much Fun" better representing what the store has evolved to. We are looking forward to many more wonderful fun filled years!

Please look over all we have to offer! Our teachers work hard to come up with classes to keep you challenged and excited to learn new techniques. So be sure to sign up for the ones that you are interested in because they will fill up quickly. We have BERNINA University a whole month early this year, which means we'll be ready to share lots of new products and news at "Tool Time" on July 27th, be sure to register early so you aren't left out. We have two full weeks of kids classes filled with new projects, one week in June and one week in July! We had a great time at our Kids One Million Pillowcase Challenge on March 25th so we decided to repeat it again on Tuesday, July 16th. We would love to have lots and lots of young people join us to make some pillowcases and some adults to help out.

Be sure to look at page 1 for all the Anniversary Celebration details!

Keep on Sewing*Margie***48 Years &
