After Mail-In Rebate • Offer ends Sept 30

**ONLY
\$449⁹⁹**

accuquilt

\$150 off GO! Big® Electric Fabric Cutter Starter Set (55500) (\$449.99, reg. \$599.99) after mail-in rebate. Offer available online and in store at participating retailers. OFFER LISTED IN U.S. DOLLARS. Qualifying fabric cutter must be purchased between 9/1/19 and 9/30/19. Rebate submissions must be postmarked by 10/14/19 to qualify.

©2019 AccuQuilt

Thanks to all those who came to the in-store demonstrations for the AccuQuilt line of products. We are excited to be a Signature Dealer and are planning some exciting things after the first of the year. We will be starting a GO! Club. There won't be a membership fee to attend, and we will feature a project or technique using the AccuQuilt and associated products.

The September AccuQuilt promotion for the cutters is \$150 off the GO! Big Electric Cutter. These mail-in rebates are good thru 9/30/19.

The other September promotion is for the Dies, Qubes & Companion Sets. We will keep several dies in stock plus the mats. If you are needing a die that we don't have, we will be happy to order it for you.

Visit www.accuquilt.com for more details!

Coupons

September 6 is buy a book day!

Come in and check out our books!

15% off any book

Quilting Queens get an additional 10% off

Good 9/6/19.

October Coupon

Get ready for winter and make some flannel projects! All flannels will be 15% off.

Quilting Queens will get an additional 5% off. Good October 10/15/19-10/31/19.

Must present this newsletter in print or electronic form. Cannot be combined with any other discounts or coupons.

Bonus Hop Stop

As a new shop we aren't old enough to be on the official shop hop that will be October 3rd thru the 6th. However we will be open the extended hours Thur-Sat 9:00 a.m. to 8 p.m. and Sunday 1:00 p.m. to 4:00 p.m.

If you are out hopping, come on by and check out our in-store specials and register for some awesome door prizes from Sew In 2 Quilts!

Downtown will be a bit busy on Friday and Saturday due to the Rod Run, but we are working to secure parking north of the shop along second street so we can reserve it just for hoppers!

Holiday House is Coming!

We had a lot of fun at our first Christmas in July Workshop. Below are some of the pictures of the fun ideas we demonstrated. Mark your calendars now for our Holiday House event. **It will be Saturday, November 30th.** It will follow the same format as Christmas In July with demos and a lunch will be provided. The demo schedule will be in the November/December Newsletter, but we didn't want you to miss out, so save the date!

Karna's Korner

It's hard to believe school is in session and Labor Day is upon us. Where did the summer go? Summer has proved a bit crazy with the earthquakes that hit Hutch late in August. Thankfully all is good at the store!

We have some fun classes planned for September and October, so be sure to check them out.

New fabric, notions and gift items are coming in so stop by and see what's new. We have several new shop models and we are busy building kits.

Fall Quilt Market will be at the end of October in Houston. Seems like just yesterday we were at Spring Quilt Market. Can't wait to see what all is in store for 2020!

The new "Dog On It" Fabric was my favorite from spring Market and it finally arrived.

Many of you know that the building we are in has been for sale. The biggest news for us is that we have purchased the building! While it's a bit daunting, to jump in with both feet, we are happy to know our location is secure. We love our corner spot downtown and are looking forward to hopefully moving our classroom upstairs in 2020!

Club Q

If you haven't been to Club Q, you are missing out on lots of fun! We have 2 different sessions for Club Q—the first Tuesday night at 6:00pm or the first Saturday morning at 10:30am. Depending on how dates fall, will depend on which session is first. There is no charge or registrations required to attend Club Q.

In August we featured some fun and easy ideas for placemats. We demonstrated easy turned and stitched, easy mitered placemats, denim rag placemats and also scalloped edge placemats.

If you missed Club Q, we so still have some of the patterns for the easy mitered and for the scalloped ones. Here are the measurements for the denim rag ones. If you have lots of old jeans, these are fun and easy to

make!

- Cut 2 pieces of denim and 2 pieces of cotton 4 1/2" x 13"
- Cut 1 piece of denim and 1 piece of cotton 11" x 13"
- Stitch the denim wrong sides together to the cotton with an X or straight lines. This is a great place to use decorative thread and those fun decorative stitches on your machines.
- Sew the 2 smaller pieces to the side of the larger piece with 1/2" seams. Denim sides together so the seam allowance is on the cotton fabric side.
- Clip the seam allowances about every 1/4" to 3/8".
- Wash & dry placemats.

Don't miss out on Club Q in September and October. **NOTE!!! In October we will have the Saturday session on the 2nd Saturday since Shop Hop falls on the first Saturday.**

Horizontally Challenged?

There are so many cool panels out there these days. Many of the new ones are horizontal, and sometimes it's hard to decide how to use these. One of our customers, Sylvia Griggs, made a fun tote bag out of our new cardinal panel. So we've been playing and have made a few samples! We are working on creating a pattern as well.

If you've been looking for a fun tote, check our panels. A 24" panel also makes a great tote bag for the 18" x 24" acrylic slide on tables that quilters bring to classes. Just sew the bottom narrow and Voila! You can create handles from the leftover backing fabric or use normal webbing for handles.

Sew Much Fun Day

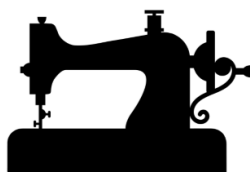

This will be a day that we will open the classroom to anyone who would like to sew. There won't be a charge, but it will be on a first come –first serve basis.

If you have some friends who would like to work on a project together, and don't have room for all of you to sew, come on down! You are welcome to come and go, but we will be start at 10:30a and go until 9:00p. There won't be an instructor, but the staff will be available to answer any questions you have.

If you want to bring snacks or drinks, you are welcome to do so. We have a fridge and a microwave if you also want to bring lunch.

Join us! September 26 and October 31 will be our next sewing days.

Sew Much Fun Day

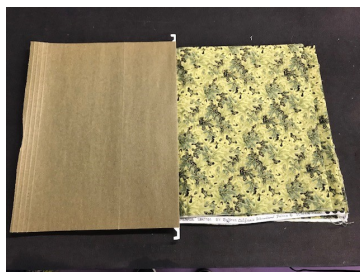

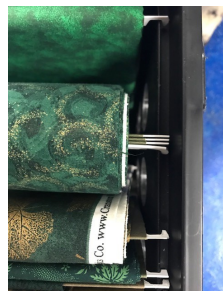

Organize and Store Your Fabric

Does it make you happy when all your fabric is stored neatly on a shelf? Then you pull one out, it's siblings on either side come with it, and pretty soon it's a messy stack. Solve this with the use of hanging file crates and hanging folders. It works great for fabrics that are the 42"/45" width. The other nice thing is that you can easily see all your fabrics and even if you have a small amount, it is visible. It doesn't get buried in a stack. Here's how to do it:

- Cut the file folders in half to that you have two halves.
- Fold your fabric in half lengthwise with selvages together and press.
- Fold again lengthwise so the fold is even with the selvaged edge and press.
- Fanfold the fabric about every 18" then drape this over the file folder and hang in the crate.

You can store lots of yards on these, and if the file folder metal wants to sag because of you have larger amounts like 4+ yards, just add a couple more single pieces and hang the fabric over 2 or 3 folders. If you do a good job squaring up the fabric as you press it, it is ready to come off the folder and be ready to cut. The nice thing is the smaller pieces are all level at the top.

School is In and sew are classes!

We have several fun classes coming up at the shop. The website has the most current list of classes and supplies. For the majority of the classes, the supply lists will give you the amount of fabric needed for the class. You can choose your own, or sometimes we might have kits available as an option.

The technique type classes will typically come with a kit instead of a supply list. This is because for the technique class, the fabrics are typically used for learning and practicing the technique.

An example of this would be the Frost Free Flower Class we had. All of the fabrics in the kit are pre-fused and pre-cut, ready to make the flowers.

Remember to hold your spot you will need to register and pay for the class. You can either pay in store or online at www.sewin2quilts.com.

If you are unable to attend, we will refund class fees if you notify us 24 hours in advance or 48 for a Monday Class.

If you are there for an all day class or for Sew Much Fun Day, you are welcome to bring your lunch, snacks or drinks. We have a fridge and a microwave that you are welcome to use.
