Central Kansas Quilt Shop Hop

October 1-4, 2020

Central Kansas Quilt Shop Theme

We are SEW excited about this years Shop Hop. This will be our first year to participate. Hoping that all goes well and we can still have it. This years theme is called Enchanted Garden and the feature fabric is an awesome bright and cheery Sunflower print with the design watermarked in the background with a cool Rainbow pebble companion print.

The shirts feature a bright sunflower printed on black Bella+Canvas brand shirts. You can get your shirts now while they last either in store or [online](#). Shop Hop fabric can be [pre-ordered](#) but will not be available until October 1.

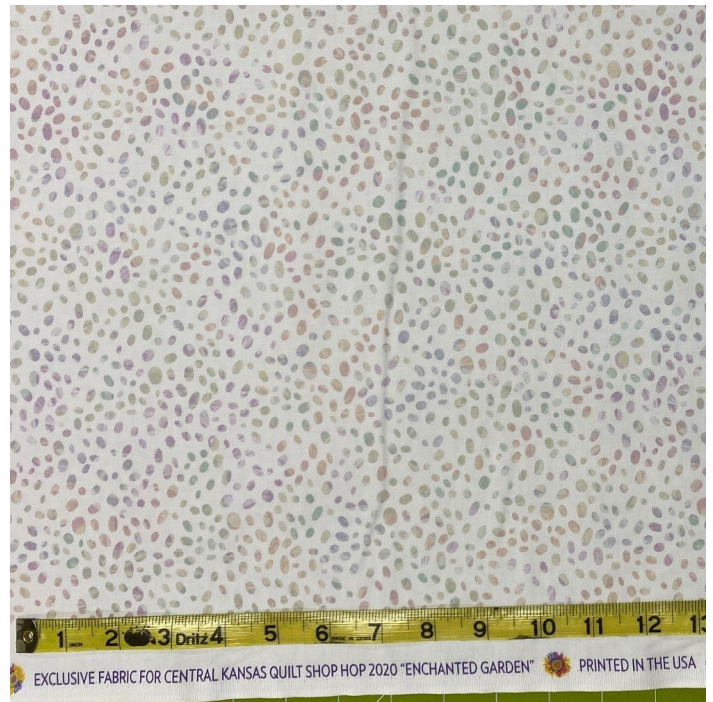

Don't Forget—The shops participating in the Central Kansas Quilt Shop Hop are sponsoring a Virtual Shop Hop Quilt Show! Just like our quarantine quilt show, [upload](#) your shop hop pictures.

How do you enter and win this contest? Once you have posted your photo to the contest, share it on your facebook page and get your friends and family to visit our facebook page and to "Like" your photos. The three people with the most amount of likes on one of their quilts will be deemed winners. You can

enter more than one quilt but you can only place once. So, if two of your quilts are in the top 3, you will only win one of the prizes. After submission, Central Kansas Shop Hop is granted permission to use any photograph for publications, social media, websites, displays, etc. without payment or other consideration from the photographer.

What's the prize you might ask? The top 3 will win fabric block kits from each shop for the upcoming 2020 Central Kansas Quilt Shop Hop, October 1st-4th. Wow! You'll be all set to make another quilt and we can promise you this year's featured fabric will enchant and inspire you!

Club, Class & Event News

Things are constantly changing each day, but we are planning on having Club Q in July. Please note these changes! Evening session on July 7th will be at the normal time 6:00 pm. **The Saturday session will be moved** to the 18th at 10:30. Saturday falls on the 4th and downtown has their parade in the morning, so parking is next zero, hence the move.

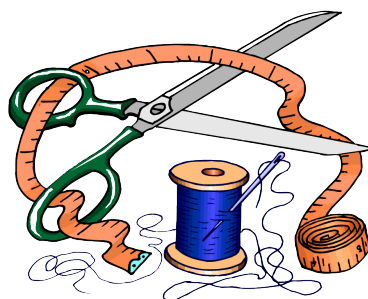

We know some of you may still not be comfortable coming to a group meeting. So, if you are someone who is participating in the sampler block program and don't want to come to club, we would ask that you bring your finished block in AFTER July 7th to get your next block. Hopefully you have all had time to finish it. :) If you don't even feel comfortable coming in the store, let us know and we will see what we can do.

With the crazy schedule in July and everything, and also not knowing what the winter months will bring, we have decided to combine our Christmas in July and Holiday House this year into Fall Festival in August. Our Plan is to hold it on August 22nd. The week preceding this event we are going to try to have our 1½ Anniversary party since we couldn't do that in April.

We will have Sew Much Fun Day in July and also the Civil War Club will meet. As for creative classes, we will post updates as we have them. The fastest way to get updates is to FOLLOW us on facebook.

Karna's Korner

Times are still as crazy as ever and the rules seem to change from day to day. We are trying to adapt and make changes to schedules as best we can.

I am SEW excited that today is the day we announce the shop hop fabric. When I first saw it, I fell in love with it and couldn't believe our first hop would have such cool fabric.

Don't forget to get your shop hop t-shirts as well. I may be a bit partial to how cool they are since I created the design. :)

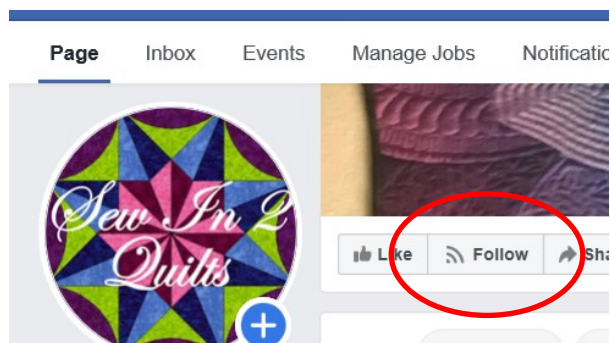

Stay safe and have a Happy 4th of July!

Machine Quilting

We are now taking in quilts for machine quilting. After a stint at the Gammill hospital, our machine is running in tip top shape.

It is important that you call and schedule a time to bring your quilt in. We prefer to not have too many quilts on premise waiting.

Edge to Edge quilting starts at \$.02 per square inch and Custom Quilting starts at \$.06 per square inch. Depending on the design, fees may be higher. All fees include thread. Batting, backing as well as binding services are not included. Minimum Charge for quilting is \$35 per top.

Quilt Preparation Guidelines

- Backing (and batting if customer provided) need to be at least 4" wider and longer than the quilt on

all sides.

- Don't baste or pin the layers together
- Square up backing, if customer provided. If backing is not square, additional charges will apply.

- Use a safety pin to mark the top of the quilt and backing if you have a preference.
- Be sure all seams are secure. To be sure, you may want to stay-stitch 1/8" to 1/4" in from the raw edge.
- **Customer supplied batting that is pre-packaged, must be opened and fluffed.** Open package, unfold and fluff batting, preferably a week or more before delivery of the top/backing for quilting. Batting must be free of bumps from being packaged. Loosely fold batting for delivery.
