

EMBROIDERED HOT AIR BALLOON SUPPLY LIST

FABRIC

You will need to pick the number of fabrics you want to use, The balloon has 8 sides.

*You will need to use a stabilizer on the back of each fabric: The OESD pattern recommends OESD stabilizer. I use Shape Flex bought and the Sewing Center.. I have used this on all my FSL items. The choice is up to you. This must be attached to the back of each fabric before class.
