## Featured Janome Accessories

### Janome Fringe Foot

The fringing foot is designed for fagoting and sewing thread fringe. This decorative touch is especially effective in applique work. The foot has a small divider in it so that when you make a wide zig-zag stitch, you will wind up with a very large loop. Then simply cut the loop close to one side of the stitches. whichever side you want the fringe to be free on, and you'll have made your own thread fringe!

## Inspiration

## [Crazy Patch Witch Capelet](#)

This project comes to us from **Sew4Home**, here's what they have to say:

"It's coming up on Halloween season and costume shops have started popping up in all sorts of unusual places. Empty store fronts become haunted mansions for a few weeks and then vanish once again. It's appropriately spooky! They have all sizes and shapes of costumes for kids, and there seems to be endless options for buying and making kiddie costumes online. But... what about the grown-ups? If you don't want to be a glamorous vampire, a hot nurse, or Fred Flintstone, you're kinda out of luck. Sometimes, you don't want to get all decked out; you just want a little something fun to wear to go out trick-or-treating with the kids or to answer the door for the ghosts and ghouls. We think our Wicked Halloween Apron is the perfect choice. It's fun to make from pre-cuts, and with the faux front lacing, you'll be the most stylish wicked witch on the block."

## Local Fun

### Día de los Muertos in the Plaza

**October 27 & 28, 12:00pm - 10:00pm  
SANTA FE PLAZA**

Take part in the *Día de los Muertos* tradition by decorating several community *ofrendas*, generously designed and constructed by local volunteers. Purchase decorative items that customarily adorn the ofrendas that honor those who have passed on. Expect to see brightly colored masks, decorative skulls, and hundreds of marigolds! Throughout the day, enjoy signature Mexican cuisine via food trucks and prepare for the evening at the glow-in-the-dark face painting booths.
