Frightful Faces Halloween Treat Bags

From Sew4Home this is what they say.

The most basic box bottom bag becomes a top-notch Halloween Treat Bag thanks to three Frightful Faces made from iron-on patches as well as a few bits and pieces from your own scrap stash. Not trick-or-treating? They're fun as indoor décor too. Iron-on lettering personalizes each bag and a sturdy 1" polyester belting handle means your little ghosts and goblins can load them up with lots o' loot.

It's a perfect project for National Handbag Day and to get a jump on this month's Halloween theme.
