THE SEWING WORKSHOP

Linda Lee and The Sewing Workshop Team are in Santa Fe! The event is taking place at the historic La Fonda on the Plaza. The views are amazing from the beautiful La Terraza venue room. This room is full of natural daylight and Verry Inspiring! Students are here to experience modern garment sewing with an artistic edge.

Sewing Center of Santa Fe LOVES The Sewing Workshop patterns and we are very lucky that our teacher Lorraine Gruys feels the same way! We've offered several classes featuring their patterns like the Zona Jacket, the London Shirt and the Chicago jacket to name a few.

We were so excited when The Sewing Workshop asked us to supply them with machines for this workshop. They rented a total of 25 MyStyle sewing machines and 2 sergers. When they come back from the workshop, we'll be offering them for sale at a deep discount (after they've had a thorough inspection, of course).

Though this retreat is sold out, [there's another one in Kansas in August](#). We hope they'll come back to Santa Fe again next year!

Featured Janome Feet & Accessories

Free-Motion Feet

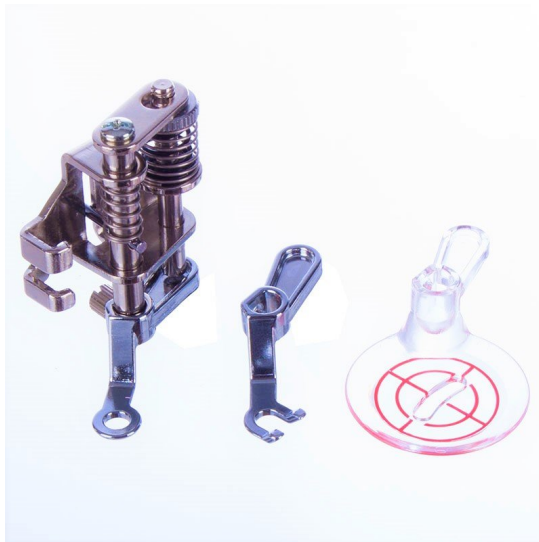

Darning Feet

Sometimes referred to as the embroidery foot, the darning foot is used for "free hand" embroidery and darning to ensure proper stitch formation, minimize skipped stitches and puckering and also protect your fingers while you move your fabric freely under the needle. Especially beneficial to those just learning how to do free hand embroidery.
