**Good News!**

**Here is a neurologist-approved 10 day  
reset plan to reclaim your life**

From the **Optimist Daily**: "Have you ever tried a detox? Maybe you gave up TV for a month or sugar. Why not challenge yourself to try a "brain detox." Created by neurologist David Perlmutter, this 10-day plan will help you reset your brain and set you on the path to reclaiming your life.

Day 1: Digital detox . . ."

**SCSF** says: Of course we love that you read our emails but clearing your head could be really great for your creativity!

# RESOURCEFUL • SANTA FE

Looking for a place to take your unloved craft and art supplies? Or are looking to make your practice more sustainable?

Consider Resourceful Santa Fe are located at 2879A Industrial Road (off of Siler road) and open each Tuesday from 1:30-4:00 for donations and shopping.

What is a creative reuse center? A well-curated thrift store with real thrift store prices, an art supply store, a dumpster diver's paradise, a community space, an economic development driver for local artists, a source for recycled-art gifts, and a local nonprofit with the mission to divert material from the waste stream by collecting and redistributing discarded items to artists, educators, social service providers, and our community for reuse and repurposing.

### Embroiderer's Compass

Navigate through the confusing world of stabilizers with the Embroiderer's Compass. Deborah Jones has developed

an innovative solution to match the right stabilizer, needle and fabric combination before you take your first stitch. Just spin the dial until the pointer is on the fabric type that matches your project. The recommended stabilizer and needle types are displayed in corresponding windows. There's even a window that displays Deborah Jones' recommendations for working with each fabric type. Now you can embroider everything from velvet, fur and fleece to silk, knits and quilting cotton with confidence.

## [OESD Stabilizer Guide](#)

Explore OESD's wide world of premium embroidery stabilizers with this handy guide. OESD stabilizer will produce the best results for your project given the density of your design and the material you are stitching on.

Measures approximately 4" wide by 8" tall.

## Local Fun

### OPENING: Arrivals 2023

Friday, February 24, 5 PM – 7 PM

#### **FORM & CONCEPT**

435 South Guadalupe Street, Floor 1

Santa Fe, NM 87501

(505) 780.8312

"This dynamic exhibition serves as a prelude to form & concept's 2023 exhibition schedule, showcasing works that compress vast emotional and physical geographies and offer myriad approaches to our complicated contemporary moment.

A series of burnished ceramic vessels from Jami Porter Lara grounds the exhibition in notions of responsive structures and ecology, marking the artist's form & concept debut. Large-scale spatial interventions from Edie Tsong and Christine Cassano force the viewer to consider their own scale in the face of global and personal catastrophe, while Jenny Day and Victor-Jesus Escobedo uncover sweeping truths through life-size sculptural representations of roller skates and dreamlike masks.

Participating Artists: Christine Cassano, Jennifer Day, Angela Drakeford, Victor-Jesus Escobedo, Cory Feder, Jon Greene, Israel Haros-Lopez, Liz Hernandez, Darcy Lee Rosenberger, Diego Medina, Jami Porter Lara, Natalie Rae Good, Edie Tsong, Tali Weinberg, Bhakti Ziek"
