[Whole Cloth Quilted Doll Quilt](#)

Janome Maker, **Maureen Cracknell**, shared this project on Janome.com. Here's what she says:

"I'm so excited to share this new tutorial for my Whole Cloth Quilted Doll Quilt! This is a project that I kept simple to showcase one of my favorite Janome built-in stitches, *the triple zig zag stitch*, but you can get as creative as you'd like and piece together any patchwork doll quilt top to trim to the measurements shared in my tutorial to finish in the perfect doll quilt size! This whole cloth doll quilt is a great project for Janome sewing beginners of any age to gain comfortability and confidence with sewing and machine quilting for a finished project that is adorable and makes such a sweet gift for any doll-loving little one!"
