International Women's Day (March 8) is a global day celebrating the historical, cultural, and political achievements of women. The day also observed in support of taking action against gender inequality around the world. We all know the world couldn't run without women (we mean, just listen to Beyoncé). This is the day to appreciate their efforts! Organizations large and small come together to show women just how valuable they are in today's society. Also make sure to help women around you find resources on [scholarships available for women](#) from around the world to help them spread their wings and fly higher.

[Cushion Style Round Accent Pillow](#)

[by Sew4Home](#)

"If you're happy and you know it... make a pillow. Pillows are one of the best things for a beginner to tackle; they're fast, fun projects for anyone and immediately brighten up your décor. This pillow is what we envision Little Miss Muffet's tuffet must have looked like. A little bit cushion and a little bit pillow in one!"
