Featured Janome Machine

[Janome FA4 Serger](#)

The FA4 with electronic foot control is an

advanced overlocker with 2 needles and 2, 3, or 4 thread overlock stitching. The differential feed ratio, which is adjustable from 0.5 to 2.25 provides exceptional control for handling all types of fabrics and for creating desired special effects. Color-coded thread guides help with machine threading. The guide is automatically returned to its normal position when you turn the balance wheel. The thread tension automatically releases when you lift the presser foot so you can draw through the threads smoothly. The FA4 also lets you quickly switch to rolled hemming without changing the needle plate. A lower looper pre-tension stitch eliminates the need to change tension for rolled hems.

[Havel Seam Ripper & Refill Blades](#)

The original faster seam ripper is still one of our most popular products. The curved blade glides smoothly and easily to remove stitches quickly and cleanly. Handle is lightweight and requires no force. Use over and over, then store with cover on for next time! Refills sold separately.

- Fresh off the long arm, Susan made this quilt to brighten up a friend's house.

Now, we'd like to see what you're up to, and share it to help inspire others—whether it's a project, a great book you're reading, pictures from a recent vacation, or really great recipe.

[RAINBOW QUILT BOM](#)

First Thursdays

Starts 5/4

1:00 pm to 4:00 pm

A fun and colorful Block of the Month that will add brightness to your sewing, give you a great reason to try new techniques, and, perhaps, even accomplish some scrap busting!

Although this Block of the Month quilt was created as an entire quilt top with traditional sashing and cornerstones, we thought it would be nice to do this quilt as a QAYG (Quilt as You Go) and introduce many different options for quilting.

[Class Fee: \\$25 per session](#)

Purchase all 9 sessions at once and receive QAYG class for FREE!
(Date to be determined)

CLASS CANCELLATION POLICY: You must cancel 48 hours or more before the start time of your class for a full refund. Classes cancelled after 48 hours cannot be refunded.

[Rolled Edge Napkins](#)

Here's our last serger project for National Serger Month. Thanks to **Janome.com** and **Janome Maker**, Milinda Stephenson of [Milinda Sews](#). Here's what she says:

"One of the most often used stitches on your serger, apart from the four thread overlock, is the rolled edge. This works beautifully on napkins, as well as for hemming difficult to hem, slippery chiffon."

Skill Level: Beginner
