This classic blouse includes a little twist! In addition to the elegant, deep-but-not-revealing V neck, the classic shirt-tail hem, and the center-back pleat, this pattern includes two sleeve options: a 3/4-length lantern sleeve and a gentle 3/4-length bell sleeve. This pattern includes cup sizes to help you get a great fit.

Lorraine chose to use a neck facing instead of a bound neckline to dress up the blouse a bit. She'll be happy to teach you to do this as well!
