What We're Up To

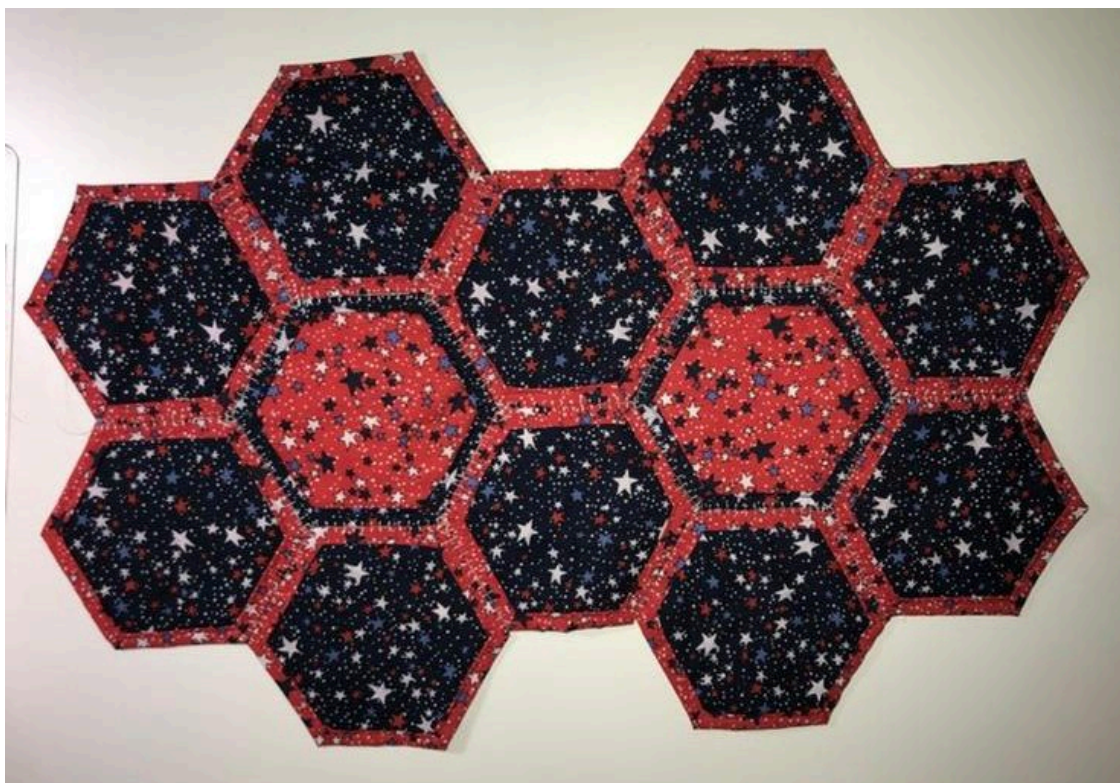

It doesn't look like much yet, but this is the beginning of a wool cardigan! **Jess** chose a weird time of year to be knitting sweaters, didn't she?

Margene took this recent class at Santa Fe Quilting. She said it was challenging and very fun! Can't wait to see how she quilts it!

The AcuFeed Ditch foot has many uses besides ditch quilting. Here **Sharon** is using it to join hexies. Join a dozen to make this patriotic mat!

This in-the-hoop embroidered pouch was designed and digitized by **Connie** for a recent PEP Club.

Upcoming Classes

Kaffe Leafy Machine Embroidered Applique

In Part 1, you'll learn everything you need to know to complete all of the designs in this collection. In the first session, we'll share design tips and get started with fabric preparation for your first 2 blocks. The second session, you'll be learning the process of machine applique on your embroidery machine and stitching out your first block.

If you wish to continue on this adventure, you'll want to enroll in the monthly "Kaffe Social Sew" (Part 2) where you'll work through all of the blocks in a fun group setting!

Designs are 8" x 8" (200mm x 200mm)

This classic blouse includes a little twist! In addition to the elegant, deep-but-not-revealing V neck, the classic shirt-tail hem, and the center-back pleat, this pattern includes two sleeve options: a 3/4-length lantern sleeve and a gentle 3/4-length bell sleeve. This pattern includes cup sizes to help you get a great fit.

Lorraine chose to use a neck facing instead of a bound neckline to dress up the blouse a bit. She'll be happy to teach you to do this as well!
