**School's Out for Summer!**

**Connie says:** My adult son said recently "Summer break was high on my list of good parts of school!" While some of us may have been less enthusiastic about the break from routine and friends, we can all remember the feeling of freedom and excitement on that very last day of school. For me, I looked forward to selecting patterns and fabric and sewing some summer outfits on the family Featherweight.

We'll be featuring some kid friendly projects in our Inspiration throughout the summer. Be sure to check out [Janome.com](http://Janome.com) and [Sew4Home.com](http://Sew4Home.com) for great, free summer sewing ideas for enthusiasts of all ages.

### [Learn-to-Sew: Seams](#)

Saturday, Jun 24, 2023

1:00 pm to 4:00 pm

In this class we will learn several different types of seams. We'll discuss which to use when, how to stitch them, and use a few of them to sew the bathrobe we cut out in the LTS Pattern Layout class.

For this class you must use woven fabric such as quilting cotton. Do not use flannel or fleece, they are too difficult to work with for beginners.

## Inspiration

[Fabric Bracelets](#)

Continuing with May's floral theme. This time with **Janome.com** and **Janome Maker**, Rachel Barnes of [Blue Oak Designs](#). Here's what she says:

"With so many fun and inspiring fabric prints available, why not expand enjoying fabrics to wear as jewelry. This is a fun and speedy project to make embroidered or plain fabric bracelets for gifts (or to enjoy yourself). Adding embroidery motifs to plain fabrics offers many fun and customized options (including a reversible embroidery option as well). The inspiration for the pattern is via Lotta Jansdotter (Fabric Bracelets pattern from the book Lotta Jansdotter Everyday Style). Supplementary notes and tips are included."
