[Celebrate Disability Pride Month in July!](#)

Join us this July as we honor the 35th anniversary of the Americans with Disabilities Act (ADA) and celebrate Disability Pride Month 2026. This year's theme, "The World Works Better With Us," recognizes the power, pride, and contributions of the disability community. We also celebrate expanded financial opportunities for New Mexicans with disabilities through the ABLE Act, which became effective January 1, 2026, empowering individuals to save, invest, and build economic independence without losing public benefits.

Featured Product

Meet the newest way to use Terial Magic. This convenient 8 oz concentrate pouch lets you mix your own Terial Magic at home and refill your favorite spray bottle.

Treat fabric for cleaner cuts, smoother stitching, and paper like control without the stiffness of traditional stabilizers.

Terial Magic treated fabric is fray free and “paper-like”, making it easy to cut, sew, print, paint, craft, and so much more. Treated fabric stays stiff while you embroider, quilt, die cut, print on an inkjet or laser printer, and more. Leave it in or wash it out depending on the look and feel you want (won't attract any pests). Great for 3D fabric crafts!

Ruffled Tote Bag

Ruffled Tote Bag

You can't go wrong with a good tote pattern, and this one is a great skill builder! Also great for stash diving, or when you just want a quick little project to scratch the making itch. Although the instructions use a traditional method to gather, this would be a great project to try out a ruffler foot!
