Good News

Neighbor to Neighbor is the largest annual fundraiser for The Food Depot. During this friendly competition, neighborhoods, businesses, and community groups compete to raise the most money for hunger relief in Northern New Mexico. Started 14 years ago as a food drive, this volunteer-led event raised almost \$700,000 in 2025!

Teams compete from June 1st to August 31st. In 2026, join us once again to make a difference as part of the Neighbor to Neighbor fund drive. Your group's time and efforts will provide essential funds to The Food Depot as they work to end hunger. Within their nine county service area, approximately 43,000 people, including 12,000 children, do not have consistent access to healthy food. Just \$1 raised during Neighbor to Neighbor can provide up to 4 meals through The Food Depot's programs.

Border Guide Foot

20% OFF

Having problems lining up or evenly spacing your border designs? Now the Border Guide Foot helps you to easily match up your border designs with the red lines of the foot. No need to mark every row beforehand! The secret to the border guide foot lies in the red guide marks. The two sets of vertical red lines are calibrated to allow perfect spacing of rows. The horizontal red line matches the needle drop so you can line up the start of each row. The small red mark denotes the center of the design for lining up with the marking for the first row.
