Good News!

Neighbor to Neighbor Fund Drive

Neighbor to Neighbor is the largest annual fundraiser for The Food Depot. During this friendly competition, neighborhoods, businesses, and community groups compete to raise the most money for hunger relief in Northern New Mexico. Started 12 years ago as a food drive, this volunteer-led event raised nearly \$294,000 dollars in 2022. In 2023, the Neighbor to Neighbor goal is to exceed \$300,000!

Make a difference as part of the Neighbor to Neighbor fund drive. To join the competition, register your neighborhood, community group, or business on The Food Depot website. No group is too large or small. Even book clubs participate!

Your group's time and efforts will provide essential funds to The Food Depot as they work to bring healthy food to Northern New Mexicans. Within The Food Depot's nine-county service area, approximately 40,00 people, including 12,000 children, do not have consistent access to healthy food. Just 1\$ raised during Neighbor to Neighbor can provide up to 4 meals through The Food Depot's programs.

The 2023 annual fund drive will begin June 1, 2023 and end September 23, 2023. All donation amounts are strictly confidential between your group and The Food Depot. However, the top fundraising groups in each category will receive special recognition in local media, such as the *Santa Fe New Mexican*, and be invited to a celebration in October.

In honor of Coloring Book Day we've found a great way to combine our love of embroidery and coloring.

Oesd Zen Bookmarks

Just like books, these freestanding applique bookmarks are windows to another world. Each of these 15 doodly designs features beautiful, high-contrast artwork depicting a wide array of themes

that look great stitched in any color - or get extra creative and add color with fabric markers!

And speaking of color, we have three new colors of Kingstar Metallic Threads

Use Kingstar as any other high-quality embroidery thread. No need for a special needle or slower running speeds. Threads in the Kingstar Metallic Embroidery Thread Pack are colorfast and will not fade on your garment. Kingstar Metallics have a polyester core and are wrapped in rice paper with a metallic finish. The high quality thread doesn't kink as it unwinds from the spool and runs smoothly through the thread pre-tensioners, resulting in fewer thread breaks and higher quality embroidery.

Monogrammed Travel Tote

This Sew4Home project blends out topic of the month with Coloring Book Day. Pick a fabric with white spaces (like the large flower on this sample) and grab some fabric pens and color it up.

"We've always been fans of Janome stitch precision, from regular sewing to decorative stitching to embroidery. It makes all the difference in the professional finish of a project, and it's certainly a secret to our beautiful samples."
