### Good News!

The Food Depot is the food bank for nine counties in northern New Mexico.

The Food Depot provides support to nearly 40,000 New Mexicans across 26,000 square miles. Our innovative programs, resource navigation services, and political advocacy work supports individuals in achieving food security.

In 2022, The Food Depot's unique programs, along with our 75 nonprofit partners, provided an average of 700,000 meals each month to those experiencing food insecurity.

*Of the 10 million pounds of food distributed in 2022,  
53% of all food distributed was fruits and vegetables.  
23% of all distributed food was protein.*

## NATIONAL FOOD BANK DAY

September 1, 2023

And more good news from the [Food Depot](#):

"Neighbor to Neighbor is the largest annual fundraiser for The Food Depot. During this friendly competition, neighborhoods, businesses, and community groups compete to raise the most money for hunger relief in Northern New Mexico. Started 12 years ago as a food drive, this volunteer-led event raised nearly \$294,000 dollars in 2022. In 2023, the Neighbor to Neighbor goal is to exceed \$300,000!"

The 2023 annual fund drive ends September 23, 2023.  
So, there's plenty of time to help.

## Inspiration

### [How to Sew Reusable Fabric Sandwich and Snack Bags](#)

This project comes to us from Kathy at [merrimentdesign](#) is to go along with your new lunch bag. here's what she has to say:

"This free sandwich bag sewing pattern and tutorial is so easy you'll be able to replace your old plastic snack bags in no time. designed these free fabric sandwich bag and snack bag sewing patterns to have extra large flaps. The flaps act like teeny little place mats, which helps avoid germ fests like when your daughter puts her carrots onto a random table

at Lincoln Park Zoo (happened with our old snack bags, pretty gross, so I made sure that mine had flaps)."
