Relationships with neighbors can often lead to close friendships. Neighbors are almost like family. They're close to you in more ways than one. ## Inspiration

## Coffee Cup Cozies

This project comes to us from Sew4Home, here's what they have to say:

"Paper and cardboard wraps certainly do their job; they keep your hand protected from the very hot or very cold contents of the cup. But... are they cute and clever? Are they a green alternative? We think not! Make your own Cup Cozies, using our free patterns and easy instructions. We offer *three* unique wrap options: snaps, lace-up eyelets, and elastic; and each pattern is sized and shaped for its signature closure."
