## Inspiration

### Grab & Go Chic Wristlet with Cork Fabric

Judging by our Janome calendar, the theme for September is accessorize and embellish and this project does a lot of both, from Janome Maker Maday D. Here's what she has to say about her fun project:

"The perfect size wristlet with an angled zipper will make the statement of the year! Keep your essentials nearby as you run errands, go for a walk or attend a party! Make one to match a special celebration and coordinate with your favorite outfit. It is fast and fun. Add machine embroidery for an extra spark. Think of it as your new perfect travel companion. Sewing this fun project with the Janome HD9 was a dream come true!"
