

# Artistic Quilter 18-8dx

**Smooth, simple and precise**—the Artistic Quilter 18-8dx gives you the freedom to stitch your Artistic vision.

- 18" throat space and 8" throat height offers unparalleled maneuverability while quilting
- All-new Electronic Controls and 7" LCD touchscreen
- Auto Needle Positioner offers the ability to stop the needle in either the up or down needle position
- Built-in bobbin winder that winds while you quilt, so your next bobbin is always full and ready
- M-Size bobbin has the largest available bobbin capacity
- Fully adjustable handle bars, and included rear handlebars, for the maximum control and comfort while quilting
- Speeds up to 3,000 stitches per minute – You can't outrun the Stitch Regulator
- Fluorescent lights in needle area give amazing illumination
- Artistic Robot\* automated robotic quilting system is fully integrated with our all new ESP machine stitch regulator. Simply attach the hardware, plug it in, and you have a fully-automated system. Simplicity at its best!
