

Artistic Robot

It doesn't get any better for a long arm quilter: The Artistic Robot is so easy to use you'll be wondering why you ever stitched without it. The fully automated system just attaches to your Artistic Quilter plugs in and quilts away! The stitch regulator works up to an incredible 3,000 SPM allowing you to complete beautiful, professional-looking quilts quicker than you could ever imagine. Let the Artistic Robot be your personal quilting aid!
