

SEWING CENTER OF SANTA FE

HEART BARGELLO SUPPLY LIST

For the first class you will need to bring the pattern, your sewing machine and all the equipment you will need to sew with, including a ruler and rotary cutting tool. You will need to bring at least 16 fabrics in the amounts listed on the pattern. If you are unsure of your fabrics you may bring more and we can look at your selection. We can always go next door and get some fabric if you don't like what you've chosen. We will be cutting strips and sewing them in the first class. I am looking forward to working with you on the project.
